As well as the two ample guest cabins, Sandcastle has a spacious salon area with interior dining as well as a large spacious deck with plenty of space to spread out and relax in the sunshine or cool off in the shade of the cockpit.

## About Us

Luxury sailing yacht, Sandcastle is a 72ft Irwin monohull available for crewed all inclusive charters. Professionally crewed year around this is a beautiful yacht which comfortably sleeps four people in two spacious king size cabins. While most crewed yachts of this size are divided into three or more cabins, Sandcastle's focus is on comfort and space. Two unusually large, well appointed staterooms offer king size berths, en suite bathrooms with large separate showers, and lots of privacy. Sandcastle is the perfect yacht for two couples or a family charter. There are extra pullman berths suitable for children if your family requires and extra bunk. Sandcastle's generous deck offers plenty of room to relax in the hammock, deck chairs, on sunning mats, or in the shady cockpit. The cockpit is the perfect place to enjoy alfresco dining and the fabulous gourmet meals that will be whipped up by your personal chef during the charter. A roomy swim platform and ladder make a dip or snorkel more inviting with easy access to the warm turquoise waters. With 20 years of chartering experience, Rik and Ann your hosts will on board Sandcastle will take care of all your needs. Rik Allen, a USCG Licensed Captain, has been sailing for 30 years, logging many miles between the Caribbean, New England and the South Pacific. Rik has more than 20 years chartering experience.
