Description Of Our Trip

This modern sailing yacht offers many on-deck conveniences including a full batten mainsail, furling fore sail, and huge twin wheel cockpit. Sail controls and full range of navigation electronics including GPS, Autopilot and more are all within easy reach. Designed by Groupe Finot, this yacht offers a unique combination of elegant lines with extraordinary space and performance. You will find that this yacht offers more comforting features built in a boat this size than ever before. Built to perform well under all conditions, this yacht from Jeanneau is dedicated to comfort. A performance boat, the design has cleverly incorporated a large aft cabin, bigger than average galley, separate saloon and chart table.

About Us

Beneteau 40 - 3 Cabin Monohull Sailing Yacht for Rent is an expertly designed roomy yacht with three private double cabins and two heads. The salon area offers ample headroom at 6'6", and converts into an additional berth. The fore-and-aft galley is to port and comes fully equipped with stove/oven, refrigerator/freezer, microwave and counter space for cooking preparations. Forward is a spacious double stateroom with private bath and a hanging locker. Two additional double cabins with hanging lockers are aft, and another bath is to starboard. Opening ports and hatches provide superb ventilation throughout the yacht. If needed, cabin heat is available. Elegant fabrics and rich teak combine to create a warm and luxurious atmosphere.
