The Boat Was Used For

A "gentleman's classic yacht", featuring a highly desired open layout all tastefully upgraded and enhanced throughout. This specially built McQueen has had only two previous owners. Current owner (for over 25 years) has lavishly maintained this yacht and always moored her in a weather protective boat shed, mostly in freshwater. She defies her actual age. Updated Garmin touch-screen electronics, Furuno Sonar, Kabola diesel hydronic heat and diesel/hydraulic bow-thruster are just a few of the extensive upgrades included. This is a "must see" yacht for any yachtsman seeking a spacious, comfortable and first-class Pacific Northwest cruising yacht. A superb value.
