Weather Station

## Description

The yacht as designed represents a luxury world-wide cruising motor yacht. The plans and specifications are intended to be complementary. Information may be given in either, but not necessarily both. These are preliminary specifications and may change. The list of materials and equipment is general and descriptive in nature, and is neither comprehensive nor specific. It is nonetheless intended to describe a complete, well-found and operable yacht, and indicate an appropriate level of finish, detail, and quality. The yacht shall meet appropriate Dutch standards for yachts of its size and operating area.
