## Why to buy this Boat & Reviews

True to its sportfishing heritage, the 24' sports the legendary Regulator ride that is as soft and dry as it is reliable. Reinforced with Regulator's exclusive Fiberglass Grillage System, the 24' can take you to your favorite destination, whether it's the canyons 80 miles offshore or that hurricane hole for a relaxing afternoon with the family. For the serious angler, the 24' is loaded with fishing features like a 385-quart forward center locking fish box with six-rod storage, 61-quart transom bait box and 25-gallon recirculating livewell. The padded leaning post with four rocket launchers and a fiberglass electronics panel for flush mounting applications top-off the extraordinary standard features. Other options for the dedicated angler include a custom tackle center located behind the helm seat; SuperSport leaning post with flip-up cushion with convenient tackle storage, nine rocket launchers, room underneath for a 94-quart cooler; 16' Lee Sidewinder outriggers with laydown mounts; and five-rod rocket launcher available on with the fiberglass T-top model. The Regulator 24 FS is a unique center console offering fishing functionality and family appeal. The standard 5'8" enclosed head compartment with standard portable marine toilet or optional factory-installed upgrade with holding tank and overboard/dockside discharge is a feature that's appreciated by family and crew alike. Padded forward seating area is ideal for relaxing in the sun or bait rigging in comfort.

## Description

---

Never send or wire money to sellers or buyers. This includes mailing a cheque or using payment services like PayPal, Amazon Payments, Google Wallet/ Checkout, Canada Post, any international post, Western Union or MoneyGram. Typically, scammers will use these services and will even falsify documents from a legitimate company. It is best to avoid them entirely and keep things local in your AdamSea.com account! AdamSea will not be responsible for any transactions that may take place out of AdamSea.com.
