Kitchen

### **Description Of Our Trip**

The self-tacking headsail takes all the effort out of tacking and gybing and will be particularly appreciated when sailing singlehanded, two-up, and when there's a cockpit full of friends out for a social occasion and the main aim is pouring the bubbly (while not getting tangled amid the lines) in the beautiful surroundings!

### **What People Telling About Our Trip**

Main sail: Fully battened, Cruising chute, Steering: Wheel, Anchor

### **About Us**

Hanse 311 - 2 Cabin Sailing Yacht for Rent designed by Judel-Vrolijk seems to have everything for a great sailing vacation. The beamy hull has short ends, a broad stern, large rudder and a bulb-type fin. Designed to be a "cruiser-racer" delivering high-performance and sailing comfort, this yacht is perfect for families and couples alike who are looking for a relaxed sailing getaway.
