Description Of Our Trip

Below decks, the comfortable and spacious interior with light hue mahogany joinery has lots of storage. You'll find comfort in the cozy 2-cabin / 1-head layout, open saloon area and fully equipped galley. Built to perform well under all conditions, this yacht from Jeanneau is dedicated to comfort. A performance boat, the design has cleverly incorporated a large aft cabin, bigger than average galley, separate saloon and chart table.

What People Telling About Our Trip

Main sail: Fully battened, Steering: Wheel, Windlass, Anchor

About Us

Bavaria 34 - 2 Cabin Monohull Sailing Yacht Charter produces a yacht with a stiff, easily driven hull shape that performs well under all points of sail. All sail controls are lead aft of the cockpit. The fully-battened main with lazy jacks and roller furling headsail make sail tending simple and straight-forward. Below decks, the comfortable and spacious interior with light hue mahogany joinery has lots of storage. You'll find comfort in the cozy 2-cabin / 1-head layout, open saloon area and fully equipped galley.
